being first entered in an analytic table of index.

Counter Brussch.—This branch has charge of the correspondence, i.e., between the department and the consuls and commercial agents of the United States. In it instructions to those officers, and answers to their despatches and to letters from other persons asking for consular agency, or relating to consular affairs, are prepared and recorded.

The Disbursing Agent.—He has charge of all correspondence and other matters connected with accounts relating to any fund with the disbursament of which the department is charged.

The Translator.—His duties are to furnish such translations as the department may require. He also records the commissions of consuls and vice consuls, when not in English, upon which exequators are based.

adjectiment may require. He also records the commissions of consuls and vice consuls, when not in English, upon which exequators are basued.

Clork of Appointments and Commissions.—He makes out and records commissions, letters of appointment, and nominations to the Senate, makes out and records exequators, and records, when in English, the commissions on which they are issued. Has charge of the history.

Clork of the Rolls and Archive.—He takes charge of the rolls, or enrolled acts and resolutions of Congress, as they are received at the department from the President; prepares the authenticated copies thereof which are called for; prepares for, and superinhends their publication, and that of treaties, in the newspapers and in book form; attends to their distribution throughout the United States, and that of all does ments and publications in regard to which this duty is assigned to the department; writing and answering all letters connected therewith. Has charge of all Indian treaties, and business relating thereto.

Clork of Authentications on Congress and letters connected therewith. Has charge of all Indian treaties, and business relating thereto.

Clork of Authentications and Copyright.—He has charge of the coals of the United States, and business and accounts for the fees. Has charge of publications transmitted to the department under the laws relating to copyright; records and indexes their titles; records all letters from the department, other than the diplomatic and consular.

Clork of Pardons and Rasports.—He prepares and records pardons and remaining and registers and files the petitions and papers on which they are founded. Makes out and records passports, keeps a daily register of all letters, other than diplomatic and consular, received, and of the disposition made of them; prepares letters relating to this business.

Secretary of the Department of the Interior, Hon. Jacob Thompson, of the State of Minsissippi. Its clerical force consists of one chief clerk, (Moses Kelly, esq...) two disbursing clerks, and ten other regular clerks, its of the supervision and management are committed the following branches of the public services:

1st. The Public Lands. The chief of this bureau is called the Commissioner of the General Land Office, the Land Boreau is charged with the survey, management, and sale of the public domain, and the issuing of titles therefor, whether derived from confirmations of grants made by former governments by sales, donations, of grants for schools, military bounties, or public improvements, and likewise the revision of Virginia military bounty-land claims, and the issuing of scrip in lieu thereof. The Land Office, also, audits its own accounts. The present Commissioner is Hon. T. A. Hendricks, of Indiana. Its principal offices are a recorder, chief clerk, principal clerk of surveys, besides a dranghtsman, assistant draughtsman, and some 150 clerks of various graties.

2d. Pensions.—The present head of this bureau is George C. Whiting, of Virginia. The commissioner is charged with the examination and adjudication of all claims arising under the various and numerous laws passed by Congress granting bounty land or pensions for the military or naval services in the revolutionary and subsequent wars in which the United States have been engaged. He has one chief clerk, (S. Cole, eq....) and a permanent corps consisting of some ninety other clerks.

3d. Indiana.—Commissioner of Indian Affairs, Charles E. Mix, of Georgetown, B. C. He is provided with a chief clerk and about fifteen other subsordinate clerks is.

Joseph Holt is the Commissioner, and Samuel T. Singert, esq., Chief Clerk.

Besides these four principal branches of this new executive department, the organic act of 1849 transferred to it from the Treasury Department the supervision of the accounts of the United States marshals and attoracys, and the clerks of the United States courts, the imanagement of the lead and other mines of the United States courts, the imanagement of the lead and other mines of the United States, and the affairs of the pentientiary of the United States in the Barriet of Golwinbia; and from the State Bepartment the duty of taking and rourning the censuses of the United States, and of appervising and directing the acts of the Commissioner of Public Buildings. The hospital for the lasanc of the army and navy and of the District of Columbia is also under the management of this department; in addition to which, by laws recently passed, the Secretary of the Interior is charged with the construction of the three wagon roads leading to the Pacific coast.

The department requie as an additional building for its accommodation, and the erection of one has been repeatedly recommended during the last few years for that purpose. At present the Pension Office is provided with rooms in what is known as "Winder's Building," while the other branches of the department, including the Secretary's office, are all crowded into the Patient Office building, the whole of which will be required at an early day for the use of the Patent Office, for which it was originally intended.

Secretary's Office.—Hon. Howell Cobb, Secretary of the Treasury, Hon. Philip Clayton, Assistant Secretary; one engineer in charge; one architect, and three draughtismen temporarily employed, and twenty-three clerks. The Secretary of the Treasury is charged with the generation of the flaval transactions of the government, and of the execution of the laws concerning the commerce and navigation of the United States. He superintends the survey of the coast, the light-house solablishment, the marine hospitals of the United States, and the construction of certain public buildings for custom-houses and other purposes.

First Comptroller's Office.—Hon. William Medil, Comptroller, and fifteen clerks. He prescribes the mode of keeping and rendering accounts for the civil and diplomatic service, as well as the public lands, and revises and certifies the balances arising thereon.

Second Comptroller's Office.—J.M. Cutte, esq., Comptroller, and eventien clerks. He prescribes the mode of keeping and rendering the accounts of the army, navy, and Indian departments of the unbic service, and revises and certifies the balances arising thereon.

public service, and revises and certifies the balances arising thereon.

Office of Commissioner of the Customs.—Samuel Ingham, conCommissioner, and cleven clerks. He prescribes the most of keeping
and rendering the accounts of the customs revenue and disbursements, and for the building and repairing custom-houses, &c., and revises and certifies the balances arising thereon.

First Auditor's Office.—Thomas I. Smith, esq., First Auditor, and
nineteen clerks. He receives and adjusts the accounts of the customs
revenue and disbursements, appropriations and expenditures on account of the civil list and under private acts of Congress, and reports
the balances to the Commissioner of the Customs and the First Comptroller, respectively for their decision thereon.

Second Auditor's Office.—Thomas J. D. Puller, Second Auditor, and
twenty-one clerks. He receives and adjusts all accounts relating to
the pay, clothing, and recruiting of the army, as well as armories,
arsenals, and ordinance, and all accounts relating to the Indian departmoni, and reports the balances to the Second Comptroller for his decision thereon.

Third Auditor's Office.—Robert J. Atkinson, esq., Third Auditor, and

sion thereon.

Third Auditor's Office.—Robert J. Atkinson, esq., Third Auditor, and seventy-eight clerks.
